Subpart 32.2—Commercial Item Purchase Financing

SOURCE: 60 FR 49711, Sept. 26, 1995, unless otherwise noted.

32.200 Scope of subpart.

This subpart provides policies and procedures for commercial financing arrangements under commercial purchases pursuant to Part 12.

32.201 Statutory authority.

10 U.S.C. 2307(f) and 41 U.S.C. 255(f) provide that payment for commercial items may be made under such terms and conditions as the head of the agency determines are appropriate or customary in the commercial marketplace and are in the best interest of the United States.

32.202 General.

32.202-1 Policy.

(a) *Use of financing in contracts.* It is the responsibility of the contractor to provide all resources needed for performance of the contract. Thus, for purchases of commercial items, financing of the contract is normally the contractor's responsibility. However, in some markets the provision of financing by the buyer is a commercial practice. In these circumstances, the contracting officer may include appropriate financing terms in contracts for commercial purchases when doing so will be in the best interest of the Government.

(b) *Authorization.* Commercial interim payments and commercial advance payments may be made under the following circumstances—

(1) The contract item financed is a commercial supply or service;

(2) The contract price exceeds the simplified acquisition threshold;

(3) The contracting officer determines that it is appropriate or customary in the commercial marketplace to make financing payments for the item;

(4) Authorizing this form of contract financing is in the best interest of the Government (see paragraph (e) of this subsection);

(5) Adequate security is obtained (see 32.202-4);
